All Students must follow the dress code and wear identification badges at all times. Students should plan to attend the Award Ceremonies to receive their awards. A representative may be sent as a stand-in but they must be dressed appropriately and have the student's badge. Teacher/studio owners may pick up awards for any of their students. Score sheets are placed into a Teacher's Packet along with those belonging to other students from the same studio. This Teacher's Packet will be available at the end of the Grand Award Ceremony held on the last day of the contest. This can be picked up only by the teacher or studio owner. An exception may be made if only one student is attending from the studio. In that case, the student may show their badge to receive the packet. Any trophies not picked up will not be available until the end of the Grand Award Ceremony held on the last day of the contest. Trophies left behind can be obtained by sending a check to cover shipping charges, plus a Special Handling fee of \$20 per trophy.
